Health Warranty

Seller warrants the health of the dog for 72 hours after the Buyer takes possession of the dog in order that the Buyer has the opportunity to have the dog examined by a Doctor of Veterinary Medicine (DVM). If a pre-existing malady is discovered during the examination, Seller will refund or replace the dog (at Sellers option) under the provision that the Buyer supplies the Seller with a written letter from the examining Veterinarian stating the nature of the malady, and that all paperwork and documentation be returned to the Seller, along with the dog at the Buyer's expense. Pre-existing maladies, for the purpose of this contract are defined as those conditions existing in the dog at the time of the sale. This definition does not include follow-up worming, or treatment for intestinal upsets due to transportation and/or relocation of the dog. Death occurring due to accident or neglect during this period is not the Seller's responsibility. The dog will be current on vaccinations at the time of sale, and seller will provide vaccination records to the buyer at time of delivery. The Seller does not cover parvo, distemper, corona lepto virus, internal or external parasites once said dog leaves our kennel as these can be picked up once the dog leaves our care. **NO OTHER GUARANTEE HAS BEEN EXPRESSED OR IMPLIED.**
